

# TAUPŌ CONNECTOR EV COLOURING COMPETITION

Your full name: \_\_\_\_\_ Age: \_\_\_\_\_

School: \_\_\_\_\_

Parent/guardian name: \_\_\_\_\_

Parent/guardian contact: \_\_\_\_\_

### Kia ora, I'm Evie!

I'm fully electric and can run 300-320km on a single charge! My battery is charged overnight while everyone is sleeping!

### DID YOU KNOW

Tranzit introduced the first EV buses to Auckland and Wellington in 2018, and Palmerton North in 2021!

### FUN FACT

I can carry up to 54 passengers including two wheelchairs - and have USB charging ports on board!

### CELEBRATION!

The Taupō Connector route was the first-ever fully electric bus service to be launched in the Waikato region!

### WHAT'S AN 'EV'?

EV stands for Electric Vehicle! Meaning, I'm powered by electricity - not by diesel like regular buses!

**Win! Taupō Connector EV Colouring Competition is open from Monday 6 - Friday 31 May 2024, and is open to all Taupō District school children aged 5-13 years.** Grand prize winner will receive 1x \$100 Warehouse voucher, 1x Free rock wall pass and 1x Free swim and slide pass for AC Baths, and 1x \$50 Bee Card. Four finalists will also be selected to win 1x \$20 Bee Card and a bag of selected merchandise each. Please return to the Taupō Customer & Visitor Information Centre to be in to win. See full T&Cs on the BUSIT website: [busit.co.nz/taupo-ev-competition](https://busit.co.nz/taupo-ev-competition)
